

KS Engineers, P.C.

Engineers . Surveyors . Construction Managers
For All Your Engineering Needs

Construction Inspection - Victory Bridge, Route 35 NJDOT

Civil Engineering - Sixteen Stations on White Plains Rd. Bronx - MTA / NYC Transit

Design - Newark Elizabeth Rail Link - NJ Transit

Our extensive record of accomplishments and our award winning projects has earned *KS Engineers, P.C. (KSE)* a reputation for being a top-ranked, highly regarded, client responsive professional engineering firm. Founded in 1991, we have gained the respect and confidence of our clients by providing technical excellence and quality services throughout New Jersey, New York and Pennsylvania. *KSE* is a certified *MBE/SBE/DBE* with a staff of over 95 full time professionals, including 16 licensed engineers and land surveyors and 45 construction inspection/management personnel. We provide comprehensive civil, structural, survey, geotechnical and traffic engineering design, construction inspection and management, safety and structural integrity inspections of in-service vehicular and railroad bridges, buildings and other infrastructure facilities.

KSE is proud to have worked on key transportation and regionally significant projects for such agencies as *NJDOT, NJ Transit, NJ Turnpike/GSP, PANY/NJ, NYCDOT, NYCDCC, NYSDOT, MTA/NYCT, MTA/B&T, MTA/LIRR, MTA/MNRR, MTA/Capital Construction*, as well as numerous other agencies, counties and municipalities throughout the region.
