Joseph J. Zarriello, PE Joins KS Engineers, P.C.

KS Engineers, P.C. (**KSE**) is pleased to announce the arrival of Joseph J. Zarriello, PE who has joined the firm as Vice President and Office Manager of our new Mount Laurel, NJ location. He will be responsible for providing **KSE's** full range of engineering and construction management capabilities to our South Jersey clients.

Mr. Zarriello has more than 35 years of experience as a bridge engineer, highway engineer, project manager and office manager for transportation and industrial clients. He has led numerous design projects on behalf of the New Jersey Department of Transportation, New Jersey Turnpike Authority and Pennsylvania Department of Transportation. His structural design and inspection experience includes management of multiple bridge replacement/rehabilitation and NBIS bridge inspection projects.

Mr. Zarriello holds Bachelor and Master degrees in Civil Engineering from Villanova University. He is a registered professional engineer in New Jersey and Pennsylvania and a member of the American Society of Highway Engineers. Mr. Zarriello can be reached by phone at 609.613.8646 and emailed jzarriello@kseng.com.
