KSE Congratulates our Award-Winning Professionals

KSE has been dedicated to providing superior engineering services to public and private agencies throughout the tri-state area since 1991. Now as **KSE** celebrates its 20th year in the industry, the firm is proud that its staff members are also being recognized for their achievements.

Donald Walby, PLS, PP received the prestigious Lifetime Achievement Award from the New Jersey Society of Professional Land Surveyors (NJSPLS).

KSE's Chief of Survey, he has more than 45 years of experience including an extensive background in boundary and route surveying for development parcels, roadways and bridges. He is a recognized expert in all forms of land surveying and has authored several papers on the discipline. Mr. Walby also received the 2008 Surveyor of the Year Award from NJSPLS.

John Nawn, PE, PTOE, F.ACFEI, F.NSPE, Vice President and Director of **KSE's** Pennsylvania operations, was honored by the Pennsylvania Society of Professional Engineers when the Delaware County Chapter named him Engineer of the Year. Mr. Nawn is a licensed Professional Engineer in seven states, certified Professional Traffic Operations Engineer and a Fellow member of the American College of Forensic Examiners Institute and the National Society of Professional Engineers. He has over 24 years of experience managing transportation, highway, bridge, mass transit, municipal and construction engineering projects throughout the region. In 2008, Mr. Nawn was named the 2008 Engineering Manager of the Year by the American Society of Civil Engineers - Philadelphia

Please join us in congratulating Don Walby and John Nawn on their achievements.
