West Morris Central High School Tennis Courts

Chester, New Jersey

PROJECT NAME

West Morris Central High School Tennis Courts

PROJECT OWNER

West Morris Central High School District

SERVICES PROVIDED

- Design of new tennis courts
- School Board presentation
- Lighting design
- Grading design
- Construction documents
- Construction supervision

PROJECT DESCRIPTION

Carroll Gordon was the Landscape Architect responsible for designing a six court tennis complex and parking lot, with lighting, for the West Morris Central High School District. Since the site is adjacent to sensitive wetlands, care was taken in the placement and drainage design for the facility.
