DICKSON OPONG JOINS KS ENGINEERS AS DEPARTMENT HEAD FOR THE STRUCTURAL DESIGN OF BRIDGES

NEWARK, NJ, February 14, 2008 -- Kamal Shahid, P.E., the Founder and Principal of KS Engineers, P.C (KSE) announced that the firm has made an important addition to its executive management team. “KSE is pleased to welcome Mr. Dickson Opong, P.E. to KS Engineers as Department Head for the structural design of bridges,” stated Mr. Shahid.

Mr. Opong is licensed as a Professional Engineer in both New Jersey and New York and brings more than 25 years of experience to KSE. He has served as a Project Manager responsible for the planning, preliminary and final design of bridges and highways throughout the Tri-State region. Mr. Opong has worked on essential infrastructure projects for the New Jersey Department of Transportation, the Port Authority of New York and New Jersey, the New Jersey Turnpike Authority and other public agencies.

Prior to joining KSE, Mr. Opong worked at KMA Consulting Engineers as the Principal/Director of Engineering.

“Dickson’s strong experience managing bridge projects makes him a valuable asset to KSE” Mr. Shahid said.

Founded in 1991, KSE is a mid-sized, multi-disciplinary MBE/SBE/DBE providing civil and structural engineering, land surveying, landscape architecture and construction support services in New Jersey, New York and Pennsylvania. With a staff of more than 95 full-time professionals including a licensed landscape architect, 16 licensed engineers, 2 multi-state licensed land surveyors, 2 professional planners and more than 40 construction management personnel, KSE has provided essential engineering services for public and private entities throughout the region.
